

SAR/SR LIAISON  
Florida State Chairman 2007-2009

The DAR/SAR/SR Liaison Committees' objective is to maintain a close relationship between our patriotic organizations. This can be accomplished by sharing common goals and open communication.

Many DAR chapters have invited the SAR/SR chapters to join them in luncheons, patriotic and special occasions such as: George Washington Celebrations, Flag Day, Memorial Day, 4<sup>th</sup> of July, Constitution Day, Veterans Day and massing of colors.

We continue to share the commitment of History Preservation in our schools, the Pledge of Allegiance to the Flag of the United States of America, English as our language and the Oath of Allegiance for new citizens – plus many others.

The SAR continues to sponsor a \$500.00 award to the DAR State Society whose members refer the most names for membership. The referrals must actually become members of SAR between the dates of April 01 and March 31 of each year. Florida State has never won this award! We have placed 2<sup>nd</sup> to Georgia.

I will enclose an application to each of 107 DAR chapters in Florida and also to each SAR / SR chapter as a reminder to include this paper with the SAR application they will send to Florida State Registrar, William Stevenson. Mr. Stevenson must have this referral paper in hand, before he mails the SAR/SR application to Louisville for approval. The new members are published in the National SAR Magazine. Please help Florida win this award for the next two (2) years. Florida Daughters have many men eligible for SAR and the Florida Sons have many women eligible for DAR. Compatriot Stevenson's address is: 3220 12<sup>th</sup> St., Vero Beach, FL 32960-3802.

The new SAR National Library, in Louisville, will house many DAR books on permanent loan from the DAR Library. Please visit the National Headquarters when you are in Louisville at 1000 S. Fourth Ave.
