

Ladies Auxiliary of the Florida Society Sons of the American Revolution

By Debbie Hancox McMurry

Just glanced at our section on the FLSSAR website, my last newsletter was September! My son-in-law would be saying..."Chop, Chop, Grammy!" He would be so right.

This last January was only a one day, one evening event. For me the highlight of the weekend was Debbie Duay's seminar. I always bring home more genealogy sources and sites. Unfortunately our Ladies' meeting was held so late in the afternoon, there was no time to shop ☺. Sadly, I have no control over the times. But...since there are so few of us, we could probably hold our meeting in one of our rooms, this way we can start at any time!

We **DID** all agree to continue with the baskets in May and have a Silent Auction. Our Vice President Sharon Sweeney has collected over twelve nice items:

Revolutionary War Uniform

Musket

Two oil paintings

Tropical prints

Needle work American Flag with the Pledge of Allegiance (well known artist)
