

To fill out the following BOM Registration form please use the text below for guidance. You must have Adobe Reader Version 8 or above – 9 is better. Download is free at <http://get.adobe.com/reader/>.

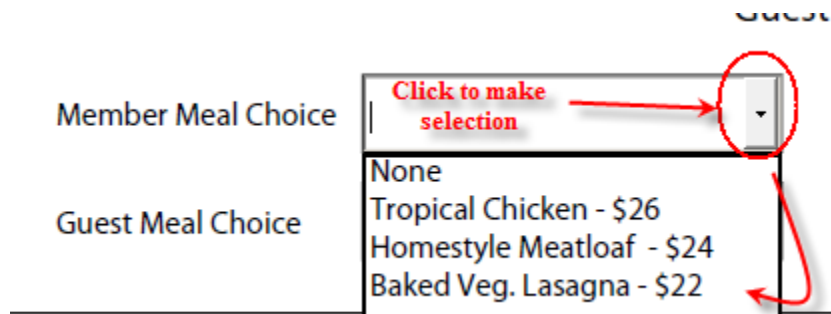

1. You should see this in the upper left corner of the form

2. Begin filling out the text fields by typing in your information. Eventually you will get to the field asking for your BOM Voting Authority. You will make your selection as shown below.

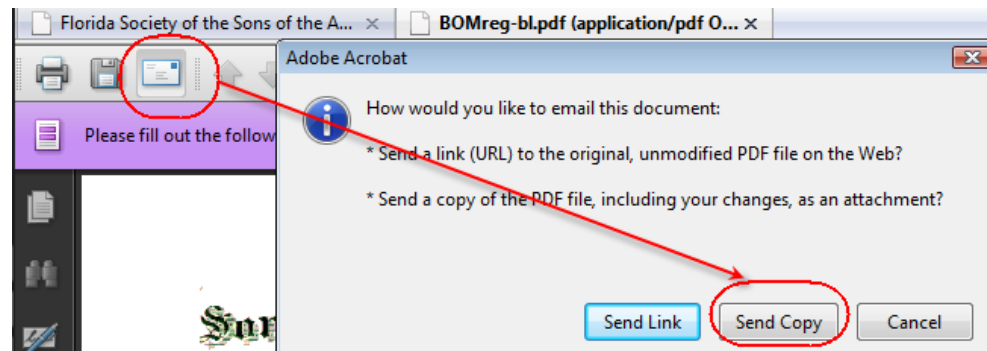

Then, you will eventually get to the meal selection fields. These are in the same fashion as the Voting Authority field – a drop down menu for each meal that will list the menu choice and its cost.

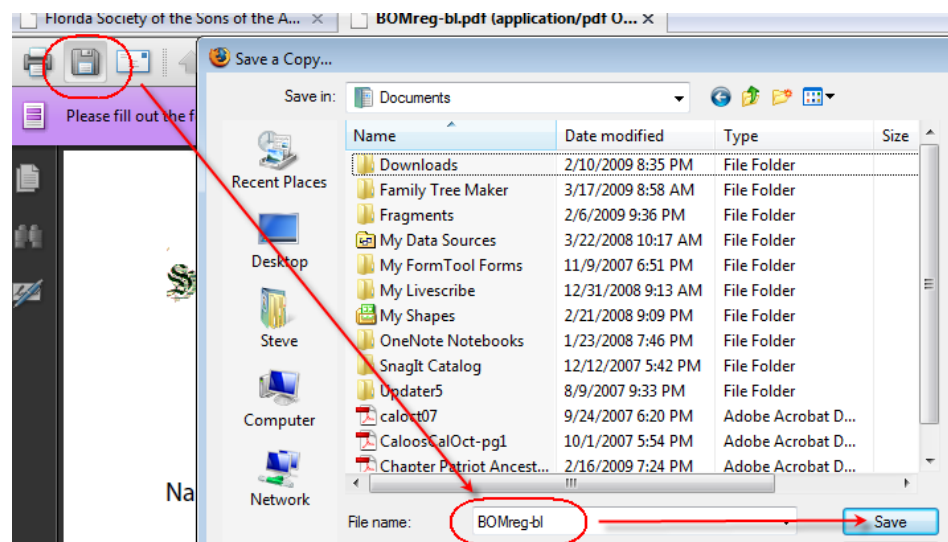

Once you've completed the form use one of the following three methods of sending your registration form.

By e-mail

Or saving your form to your computer, then mailing it

Or printing it out and then mailing it
