Sons of the American Revolution

Mission

The objects of this Society are declared to be patriotic, historical and educational; to unite and promote fellowship among the descendants of those who sacrificed to achieve the independence of the American people, to inspire them and the community-at-large with a more profound reverence for the principles of the government founded by our forefathers; to foster true patriotism; to maintain and extend the institutions of American freedom.
The document includes the charters for all active FLSSAR committees as of May 2006. A charter, as outlined in the Society By-Laws “…states the name, duties, structure, powers, method of appointment, and term of office of its members”. Committees fall into one of three categories: Statutory, Standing, and Special.

Statutory committees are permanent, prescribed and delineated in the By-Laws, and provide the fundamental functions of executive decision, finances and audit, the nomination of officers, and presentation of medals and awards, including the Patriot Medal.

Standing committees are the most numerous and provide for all outreach to youth, our patriotic and nationalism awards programs, liaison with other Societies, and internal functions. They are of proven worth and may be changed or eliminated only by the Board of Management which may also create new Standing Committees.

Special, or ad hoc, committees may be created by Presidential fiat or by the Board of Management. Some Special Committees may be short lived, existing only to complete a specific and well defined objective. These may have a charter or other written description. Others may be ongoing with charters and if proven successful, may be empowered by the Board of Management and transformed into Standing Committees.

Name: SAR Educational Center and Museum

Status: Standing

Purpose: To administer the Florida Society Program to support the development of The Center for Advancing America's Heritage. When fully developed, the Center will dramatically increase the educational support of civic literacy around the United States.

Authority: Florida Society By-Laws, Article V. Section 6. b.

Functions: To promote donations and fund raising for the CAAH within the Florida Society.

To inform FLSSAR compatriots of the objectives and importance of the Center’s outreach education programs and their importance to all SAR members.

Further Definition: Why Florida Compatriots Should Support for the Center for Advancing America's Heritage (CAAH or Center for short): The Center, when complete, will meet a critical nationwide educational need that volunteers in chapters and states cannot perform, but through united action our local Compatriots can cause this need to be met.

Here's how!

The Center will be staffed by professional employees who are specially trained to engage and educate the public.

They will use the latest multi-media techniques.

Create a new interactive internet website capable of serving a nationwide audience as well as states and chapters.

Create unique dramatic presentations that will entertain and inspire audiences to be knowledgeable patriotic citizens who value their American citizenship and American exceptionalism.

Distribute these presentations to local units and use them in the Center to attract tourist and conventioneers who frequent Louisville's "cultural row" on West Main Street, and to promote membership in the SAR.

Create a teaching museum at the Center for the public and school groups.

Create a Center Store to serve the visiting public.

Establish partnerships and liaisons with appropriate educational and cultural institutions.

Through appropriate public relations initiatives make the Center the "National Public Face" of the SAR.

Each Compatriot has an obligation to support the above mission just as much as he does his local state and chapter activities. The Center will vastly increase SAR's influence in the public domain.

Public Mission Statement

The Center for Advancing America’s Heritage is an integral component of the National Society of the Sons of the American Revolution providing patriotic and civic education for all people based on our shared heritage and the experience of the Country’s Founders.

The local Chapter should be the promoter of this activity and should participate actively in the dedication ceremony.

Authority: Florida Society By-Laws, Article V, Section 6. b.

Members: A Chairman and at least two other members, all to be appointed by the President of the Florida Society and whose terms shall be concurrent with that of the appointing officer.

Functions: To establish the Liberty Tree Project for the Society, to prepare guidelines for the implementation of the “Project”, setting forth the criteria each Chapter shall follow for the promotion of the planting or designation of Liberty trees, including site selection, type of tree, appropriate timing, appropriate ceremonies, and also providing for cooperation between chapters and the Society for appropriate ceremonies to accompany each planting and providing for Society officers and local non-SAR dignitaries. Establish a goal to have a Liberty Tree designated in each town, over time, under the jurisdiction of the sponsoring SAR Chapter. The chairman shall keep a record of all Liberty Trees designated and provide the information to the State Historian.

Guidelines for Liberty Tree Project implementation

Establish a Chapter Budget item, such as $150 per year.

Contact local public officials e.g. Mayors, County Commissioners, School Board members, School Principals, Police Department, Sheriff’s Office, etc.

Explain the purpose of the Liberty Tree Project.

Inform them that the local SAR Chapter will pay for the Liberty Tree Marker.

Ask them to designate a tree as their Liberty Tree, especially one in a Municipal Park, near a Historic Building or on School Property.

Obtain approval to commence with the program.

Contact a local Monument Company to engrave a piece of granite with dimensions not to exceed 16” x 14” x 4” in thickness.

Purchase a bag of 1 1/2 inch river stone to be used under the stone.

Invite the affected Officials to participate in the Liberty Tree Ceremony.

Prepare a draft Proclamation for dedication of the Liberty Tree and preparation by one of the Municipal Offices.

Request the senior member present bring the Proclamation to the Ceremony and read it to the attending public; then present it to the SAR Liberty Tree Chair.

Invite the public to the ceremony through notices in the local news media.

Invite the Local Chapters of the SAR and the DAR to participate in Colonial Dress.

Invite Color Guards from the local VFW, DAV and American Legions to participate with the sponsoring SAR Chapter and other Color Guard Invitees.

Invite a local JROTC Color Guard to participate at the Ceremony. (They may lead the Pledge of Allegiance).

Prepare a brief Program to share with the attendees. (Ask any CAR or DAR representatives to pass out the programs).

Invite the local newspapers for publicity. (Send them a copy of the Program).

Ask the SAR Publicity Chair or their representative to take color pictures for publicity purposes.

The Liberty Tree Chair or designated representative will read a brief History of the Liberty Tree and its purpose.
Involve the Children of the American Revolution, especially to sing one verse of a Patriotic Song.

Each Chapter shall report the designation of a Liberty Tree with its exact location and address, the name and title (office) of the approving person, to the FLSSAR Liberty Tree Chair and the FLSSAR Historian NLT 1 December of each year. Negative reports are required. Positive reports are required in order to claim reimbursement from the FLSSAR.

Include a copy of the Liberty Tree Program with the Liberty Tree Report to the FLSSAR Historian and Liberty Tree Chair.

The State Chair shall provide an electronic copy, upon request by a Chapter, a sample copy of a viable Proclamation and a Program for the Ceremony.

Following, is an explanation of certain items listed above. All numbered items appear to be self-explanatory.

Further Explanation:

Note that planting a tree is optional. In the History of the Liberty Tree, it was specifically noted that the Militia and Revolutionary soldiers selected a tree that had already reached maturity, one that would provide them protection from the elements and also allow visibility and approach of any British soldiers so that they could readily disperse. If the SAR plant a Tree, experience has shown that a hundred reasons are given as to why the recipient cannot have it watered, why it cannot be protected and when the tree dies from neglect, the SAR is the problem because they did not take care of the Tree. This does not make for good publicity.

If the SAR chooses to have a tree planted, then the best tree for the Florida area is the Live Oak. It is quite hardy but it does require proper watering and care during the first two months of growth. Usually, a local tree nursery will provide a 12 foot Oak Tree at no cost. Try to remember, A Mature Liberty Tree was originally selected for immediate use. The users did not have time to wait for it to grow until it provided protection from the elements and afforded a modicum of safety from unwarranted intrusion or surprise by the British.

Authority: Florida Society By-Laws, Article V, Section 6. b.

Members: A Chairman and two to four additional members, appointed by the FLSSAR President, and who will serve terms concurrent with that of the appointing officer. The program will be best served if all members are from diverse Chapter areas.

Functions: It shall be the duty of the Committee to set measurable goals for each Chapter in the State to ensure that all deserving Social Study (History) teachers are made aware of this award.

It shall be the responsibility of the FLSSAR Committee to contact each state Chapter (directing all correspondence to the President and the American History Teacher Committee Chairman). This contact should include all NSSAR directives and forms available for the ensuing year.

It shall also be the duty of the Committee to put forward specific tasks for the teachers to accomplish in order to better teach Early American History to their students.

The Committee shall select the winning candidate from those candidates sent forward from the Chapters and, with the approval of the BOM, pass this application on to the NSSAR Committee Chairman.

The Committee shall use the state winner’s documents and handouts as promotion material for the following year’s award program (provided the Committee has written permission from the previous year’s winner).

A suitable Award is to be presented to the FLSSAR winner at the FLSSAR Annual Meeting.

The winner of the FLSSAR Award is to be photographed and his/her application is to be made available to all Chapters for promotion purposes.

The Committee recommends that FLSSAR give the state winner a cash award, plus an appropriate engraved Plaque and Certificate.

At the Fall Board of Management Meeting, it shall be the duty of the current Committee Chair to request a budget amount for the Annual Grant for the coming year. This should be done before budget for the coming year is presented by the FLSSAR Treasurer. The Treasurer needs to be informed of your requested amount before he prepares the new budget.

to the FLSSAR Committee Chairman.

**Deadlines for action:**

- Application entry deadline to local Chapters: December (day selected each year by FLSSAR Committee Chairman). This should allow the Chapter to have the Award Winner at a Chapter function in the early part of the year.
- Chapter entry deadline to FLSSAR Chairman: January (day selected each year by FLSSAR Committee Chairman). This is necessary in order for the FLSSAR Committee to fairly judge all candidates and select the winner for the year.
- FLSSAR candidate deadline to NSSAR Chairman: February (day tba). NSSAR judging to be held at Spring Leadership meeting.

**Suggested Chapter awards:**

In order to make the contest appealing, each Chapter should consider making a cash award (in the nature of $150), plus a suitable plaque or certificate nominating their American History Teacher of the Year. There does not need to be a Second Place award.

**National Awards:**

All state finalists will receive a certificate of appreciation for their participation. The Winner of the NSSAR contest receives a scholarship for continuing education, as is spelled out on the NSSAR website.
