Introduction

The FLSSAR Procedures Manual and Handbook is designed to provide important information on the structure and operation of the Florida Society SAR and local chapters.

Rules and regulations change from time to time and these directives will come from the State and National Societies between publications or updates of this manual. They will be filtered to the chapters through correspondence, publications and other means. The FLSSAR’s quarterly newsletter, *The Florida Patriot* is a valuable tool for keeping abreast of rules and current happenings.

In order for this reference guide to be useful, all members must be aware of its existence. Each chapter in the FLSSAR should have its own copy for ready reference by the chapter president and secretary, and it should be a resource to all its members. In that regard we would like to encourage all new chapter officers to review Volume 2 sections 1.0 and 4.0 for some general guidelines/responsibilities of the various officers. Special attention should be made to that very important position of Chapter Secretary, particularly as it relates to his reporting responsibilities.

The structure of the Procedures Manual and Handbook is divided into three parts: Volume 1 is for topics mainly concerning the Florida State Society organization; Volume 2 is for topics mainly concerning chapter organization; and Volume 3 is used to provide information on topics not covered in Volumes 1 and 2: C.A.R., Awards & Medals, and media presentations among other topics.

Although, a team of compatriots has proofed it, you will find errors. Report any errors and they will be corrected during subsequent updates. There are no copyright infringements here. Copy what you need and copy at will.

It is hoped that this document will be both an excellent educational and reference tool.

Respectfully submitted,

Philip G. Wright
2008-2009 Procedures Manual Committee Chairman

1.0 SAR Pledges

Pledge of Allegiance

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands; one Nation under God, indivisible, with Liberty and Justice for all.

Pledge to the SAR

We, the descendants of the heroes of the American Revolution, who by their sacrifices established the United States of America, reaffirm our faith in the principles of Liberty and our Constitutional Republic, and solemnly pledge ourselves to defend them against every foe.

SAR Recessional

Until we meet again, let us remember our obligations to our forefathers who gave us our Constitution, the Bill of Rights, an independent Supreme Court, and a Nation of Free Men.

2.0 United States Flag Protocol

It is the universal custom to display the Flag only from sunrise to sunset on stationary flag staffs in the open. The Flag should be hoisted briskly and lowered ceremoniously.

The Flag, when carried in a procession with another flag or flags, should be either on the marching right, that is, the Flags own right, or, if there is a line of other flags, in front of the center of the line.

The Flag should not be displayed on a float in parade except from a staff.

No other Flag or pennant should be placed above or, if on the same level, to the right of the Flag of the United States of America, except during church services conducted by naval chaplains at sea, when the church pennant may be flown above the Flag during church services for the personnel of the Navy.

The Flag of the United States of America, when it is displayed with another flag against a wall from crossed staffs, should be on the right, the Flag’s own right and its staff should be in front of the staff of the other flag. The Flag of the United States of America should be at the center and at the highest point of the group when a number of flags of states or localities or pennants of societies are grouped and displayed from staffs.

When displayed either horizontally or vertically against a wall, the union should be uppermost and to the Flag’s own right, that is, to the observer’s left. When displayed in a window, the Flag should be displayed in the same way, with the union or blue field to the left of the observer in the street.

When the Flag is displayed over the middle of the street, it should be suspended vertically with the union to the north in an east and west street, or to the east in a north and south street.

When used on a speaker’s platform, the Flag, if displayed flat, should be displayed above and behind the speaker. When displayed from a staff in a church or public auditorium, the Flag of the United States should hold the position of superior prominence, in advance of the audience, and in the position of honor at the clergyman’s or speaker’s right as he faces the audience. Any other flag so displayed should be placed on the left of the clergyman or speaker or to the right of the audience.

The Flag should form a distinctive feature of the ceremony of unveiling a statue or monument, but it should never be used as a covering for a statue or monument.

The Flag when flown at half-staff should be first hoisted to the peak for an instant and then lowered to the half-staff position. The Flag should be again raised to the peak before it is lowered for the day. On Memorial Day, the Flag should be displayed at half-staff until noon only, then raised to the top of the staff.

When the Flag is used to cover a casket, it should be so placed that the union is at the head and over the left shoulder. The Flag should not be lowered into the grave or allowed to touch the ground.

2.1 Respect For The Flag

No disrespect should be shown to the Flag of the United States of America; the Flag should not be dipped to any person or thing. Regimental colors, state flags, and organizational or institutional flags are to be dipped as mark of honor.
The Flag should never be displayed with the union down, except as a signal of the dire distress in instances of extreme danger to life or property. The Flag should never touch anything beneath it, such as the ground, the floor, water, or merchandise. The Flag should never be carried flat or horizontally, but always aloft and free. Bunting of blue, white and red, always arranged with the blue above, the white in the middle, and the red below, should be used for covering a speaker’s desk, draping in front of the platform, and for decoration in general. The Flag should never be used for advertising purposes in any manner whatsoever. When left raised at night, it should have a light on the Flag and staff.

No part of the Flag should ever be used as a costume or athletic uniform. However, a flag patch may be affixed to the uniform of military personnel, fireman, and members of patriotic organizations. The Flag represents a living country and it should be considered a living thing. Therefore, the lapel Flag being a replica, should be worn on the left lapel near the heart.

When a Flag is in such condition that it is no longer a fitting emblem for display, it should be destroyed in a dignified way, preferable by burning.

2.2 Hoisting, Lowering Or Passing Of The Flag

During the ceremony of hoisting or lowering the Flag, or when the Flag is passing in a parade or in review, all persons present except those in uniform should face the Flag and stand at attention with the right hand over the heart. Those present in uniform should render the military salute. When not in uniform, men should remove their headdress with their right hand and hold it at the left shoulder, the hand being over the heart. Aliens should stand at attention. The salute to the Flag in moving column should be rendered at the moment the Flag passes.

3.1 How To Organize A C.A.R. Society

WHO MAY ORGANIZE A C.A.R. SOCIETY?
Any DAR, SAR or SR Chapter who wishes to sponsor a Society and accept the responsibility for leadership, moral support and financial support.

WHO MAY BE AN ORGANIZING PRESIDENT?
Any DAR, SAR, or SR in good standing willing to accept the responsibility of the position or Organizing President of a Society.

ORGANIZING PROCEDURE:
The DAR Regent or FLSSAR Chapter President wishing to sponsor a Society submits in writing the name and address of a person willing to serve as Organizing President of the new Society to the Senior State President of the Children of the American Revolution (C.A.R.). (Note: The Organizing President need not be a member of the sponsoring chapter - he/she simply needs to be a member in good standing.)
The senior State President will submit this name to the Senior National Board of Management for confirmation.

Following confirmation of the Organizing President, a Notice of Confirmation is sent by N.S.C.A.R. to the Organizing President along with an Organization Kit.

During this period between submission of the Organizing President for confirmation and the notification of confirmation, the Organizing President and members of the sponsoring chapter can begin the work of organizing. Canvas the area for members, and as soon as possible start selecting a name for the Society.

THE NAME OF A SOCIETY:
Select 2, 3 or even 4 names for the Society. By doing this your choice for a name will be selected out of those submitted. List the names in order of your choice. List the names with a short history of the names chosen, with a reference notation, and send to the Senior Organizing Secretary, N.S.C.A.R., National Headquarters, 1776 D Street NW, Washington, DC 20066
The names MUST be for historical persons, places or events prior to 1825, in America.

MEMBERSHIP APPLICATION PAPERS:
Membership applications papers are submitted to N.S.C.A.R. before official organization of the Society. Membership applications papers along with the necessary fees and dues are sent in as applications from an Organizing Society.

NUMBER OF MEMBERS NECESSARY TO ORGANIZE:
The new Society is ready for organizing when it has at least SIX (6) new members accepted by N.S.C.A.R. and has received confirmation of the Society name for N.S.C.A.R. Any members at large who have never been affiliated with a local Society shall be considered “new” members and can be included in your membership.

PRE-ORGANIZING MEETINGS:
You can hold pre-organizing meetings to plan and work on application papers. You MUST NOT call the meetings the ORGANIZATION MEETING until you have six new members accepted by the N.S.C.A.R. and you have been informed. These new members are called CHARTER members of the new Society. The Society holds a local meeting where the Society is officially organized and the officers are installed. The election or appointment of officers takes place at the Organizational Meeting.

AFTER ORGANIZING:
After the organizational meeting the Senior Organizing President fills out the REPORT OF ORGANIZATION in duplicate and sends both copies to the Senior National Organizing Secretary at National Headquarters. An Organization card is completed and sent to the Senior State President. The Society is NOT OFFICIALLY ORGANIZED until the confirmation is received by the Society from National Headquarters. In the Origination Kit is a Report of Organization and card for the Senior State President. YOU should plan to have the next meeting within the month.

HOW MANY MEETINGS A YEAR ARE NECESSARY?
Plan to have at least SIX (6) meetings a year. A Society with a meeting a month is a more active and lively Society.

ORGANIZING PRESIDENT’S TERM AND FEE:
Upon appointment as Organizing President a fee of $10.00 is payable to the Senior National Treasurer, N.S.C.A.R. to apply for the calendar year in which appointment and annually thereafter on January 1 until the Society is organized.
The Term of office is one year from appointment with one year re-appointment possible if organization is not completed.

MEMBERSHIP APPLICATIONS:
Any boy or girl under the age of twenty-one is eligible for membership in the National Society Children of the American Revolution who is linearly descended from a soldier, sailor, civil officer or recognized patriot of the American Revolution.

APPLICATION BLANKS (long only) are obtained from the Senior National Treasurer. The cost is $.30 per set short form and $.50 per set long form pre-paid.
Each applicant for membership pays to the Senior National Treasurer an entrance fee of $10.00 and one year’s dues of $8.00, a total of $18.00. This Amount is to accompany the application. However, when two or more children of the same parents apply for membership on the SAME IDENTICAL LINE at the SAME TIME, the entrance fee is reduced to $4.00 each. Dues remain the same $8.00 each. An additional $8.00 submitted at the time of application will give a subscription to the National Magazine - one subscription per family.

NATIONAL HANDBOOK:
It is necessary for each Senior Society President to have the National Handbook. These are secured from your Senior State President or from National headquarters for $3.00 each. The National By-laws are also secured from these two sources for $1.00.
ONE copy of the member’s application papers are returned to the Senior Society President to be kept permanently in the local Society files.

HELPFUL HINTS:
Appoint at least two (2) members of your Society to help you as Senior Leaders to assist in preparing application papers and planning Society events.
KEEP IN TOUCH with your Senior State President. He/She is there to help you. DO NOT WAIT for the official organization or acceptance of applications to get together. You can create interest by having get togethers and get to know each other. You could have suggestions as to trips to historic places, or types of get togethers you would like to have. KEEP EXTRA SETS of application papers on hand for any new prospective members.

SUBMITTING APPLICATION PAPERS:
Remember for new applicants submit papers to National in time for the Senior National Board of Management Meetings. They meet in June, October, December and April. Have new applications in to National one month before the Board meets.
SEND: All correspondence to the appropriate National Officer in care of national headquarters, 1776 D Street, NW, Washington, DC 20066
MOST of all have fun with the young people with whom you will be working. They are a GREAT group of young people and worth our efforts. They are OUR FUTURE!!

INVITATIONS:
You could send out special invitations to prospective members about becoming a Charter member or later to become a member. Make it seem, which it is, IMPORTANT AND SPECIAL to become a member of this organization.
Invitations can be secured from your Senior State President, or your Senior Organizing Secretary. INVITE to your organizational meeting parents, all nearby C.A.R. Societies, DAR, SAR, SR Chapters near by,
any State and Senior State Officers, any town officials you wish and which would help make the occasion important to the young people.

CHARTERS:
It is not necessary for a Society to have a Charter. They are costly, around $60.00, so most Societies do not have one.

3.5 Activities Of The CAR And SAR Support Of CAR Societies

It has been said many times that the life’s blood of the Sons of the American Revolution is membership. There are several programs in existence today that promote membership at the youth and young adult level. The Children of the American Revolution is one of these very important programs.

The FLSSAR budgets a contribution of $250.00 each year which will be given each February to the State CAR to assist them with whatever expenses they choose to apply it toward. The presentation of the $250.00 should be made by the SAR to the CAR at their annual meeting held in Florida each year at that time. At this meeting, the Florida CAR Society is recognized for their efforts in obtaining the goals of the CAR. These alone are most remarkable.
Chapters are encouraged to adopt a CAR Society in their area to assist them with their activities. This can be in the form of a $5.00 contribution to be a State Patriot or by providing support by attending such events as SAR/CAR meetings, Flag Day, Christmas and weekend celebrations in support of the CAR Societies. Refer to Chapter 3 Section 3.0 of this Procedure Manual.

Each CAR Society has an adult presence, usually a DAR member, and frankly they need our support in the following areas:

- Assist them in obtaining Youth Registration forms and encourage them to be future SAR members when they reach the age of 18.
- Encourage your SAR chapter members to be State and National Patriots for the CAR.
- Invite the CAR State President or the local Society President to speak to your chapter about the CAR.

If you have questions about the CAR program you may contact your FLSSAR CAR/SAR Chairman who is listed on the FLSSAR Committee pages at http://flssar.org/docs/FLSSARCommittees.pdf

3.6 Florida Active C.A.R. Societies

3.7 Florida Inactive C.A.R. Societies

This list of inactive and disbanded societies will be provided because if anyone is interested in starting a Society in these areas, it is much easier to reactivate an old Society than to start one from scratch. Contact the appropriate C.A.R. State Officers for more details.

3.8 Youth Registration And Application

The Youth Registration Program has changed as of February 2001. The following two sided brochure can be printed and three folded as an information pass-out. This brochure explains the program in a basic way. The new software updates for completing the application provide the necessary format for the Youth Application and Youth Life Application. The following was provided to all chapters as a result of its immediate implementation.

This is an SAR program and not to be confused with the National Society, Children of the American Revolution (C.A.R.), covered earlier in Volume 3 Section 3.6.

At the September 2000 National Trustees meeting the Executive Committee voted to accept the youth registrant policy recommended by the Membership Committee:

"The current Youth Registration Program shall be replaced by following:

A youth under the age of 18 may file a Youth Application along with the documentation required to support his lineage. The application fee shall be the same as the admission fee for a member under the age of 25. If the lineage is approved, the youth will receive a registration number and a Youth Registrant certificate. The application will be held in escrow, separate from the SAR membership database. When the youth becomes 18 years of age and applies to join through a state society he will be granted membership based on the escrowed application, with its approved lineage, without further review or documentation."

This revised policy will be made an explicit part of the Bylaws by an amendment voted on at the 2001 Annual Congress. Since this is a clarification of present policy and none of it is contrary to the present Bylaws it was immediately implemented.
John Doe of Tallahassee, Florida recently received an Outstanding Citizenship Award from Roy O. Wilham, President of the Tallahassee Chapter, Sons of the American Revolution for his participation in several Revolutionary War Soldier Grave Markings by the Tallahassee Chapter. John Fletcher, Sr. is buried in the Old Salem Cemetery, Havana, Florida Moses Munson is buried on the banks of the Ochlockonee River, Florida

The award consists of a pin, which contains the image of a “Minuteman,” with his musket in hand ready to defend his country. In the background is his plowshare. The pin is encircled with the inscription “Sons of the American Revolution Outstanding Citizenship Award.” The award also comes with a certificate.

Mr. Doe is a ninth grade student at Tallahassee High School and is a member of the Florida Society, Children of the American Revolution. Mr. Jackson presented wreaths on behalf of the Florida Society, Children of the American Revolution at each service.

The Tallahassee Chapter, Sons of the American Revolution The Chapter meets four times a year- February, the Saturday nearest George Washington's birthday and the second Thursday in May, September and December. 6.0 Youth Awards

6.1 ROTC Medals Programs

The FLSSAR supports the ROTC Program. See the FLSSAR website at http://flssar.org/ or the NSSAR website at http://www.sar.org/youth/jrotc.html for more information.

6.2 R.O.T.C. Medal

The SAR awards the ROTC Medal to foster the principle of the "citizen-soldier", exemplified by the Minutemen of Revolutionary War days. This award is presented by a chapter, a state society, or the National Society to ROTC or JROTC cadets who are selected for having a high degree of merit with respect to leadership qualities, military bearing and general excellence. The recipients are selected by the Commanding Officer of the ROTC or JROTC unit, who should be given full latitude in making the selection.

For ROTC or JROTC units with fewer than 500 cadets or midshipmen one medal will be awarded each year. For larger units, one medal may be presented for each 500 students enrolled in the unit. In cases where a school has more than one ROTC or JROTC unit, each unit is counted separately.

The Silver ROTC Medal is presented only to students in a college or university ROTC unit. No recipient may receive it more than once. No miniature medal is available. The medal was authorized in 1933.

The Bronze JROTC Medal was authorized in 1965, and is presented only to students in secondary school JROTC. No recipient may receive it more than once. No miniature medal is available.

Enhanced JROTC Program

At the beginning of the school year each Chapter should contact the Senior Military Instructor(s) of the local JROTC unit(s). Throughout the year the chapter should remain in contact with the administrators of the school and the JROTC unit, providing support for other programs and discussing plans for this program. The chapter should have the school administration, along with the instructors of the JROTC unit, evaluate candidates based on the criteria listed below and select one nominee for each JROTC unit (battalion, squadron, etc.). If the chapter supports several JROTC units, it should run a local contest to select the best cadet, since only one cadet per chapter may advance to the state competition.

6.2.1 Selection and Awards

Chapters shall submit their Outstanding JROTC Cadet Nomination Packages to the FLSSAR ROTC Chairman by April 1st. The Committee will select the FLSSAR Outstanding JROTC Cadet, and forward the Nomination Package to NSSAR by May 1st for competition.

Chapters - If there is a Chapter contest (because there are several units in the Chapter's area), the Outstanding Cadet of the SAR Chapter may receive a bronze star to wear on the medal ribbon drape, a gold frame for the ribbon bar, and a bronze presentation medallion on a neck ribbon. The local chapter may also provide a nominal monetary award.

FLSSAR - The FLSSAR Outstanding JROTC Cadet will receive a silver star to wear on the medal ribbon drape, a silver frame for the ribbon bar, and a silver presentation medallion on a neck ribbon. The FLSSAR awards $1,000 cash to the Outstanding Cadet, $500 to the First Runner-up, and $250 to the Second Runner-up. The FLSSAR Outstanding JROTC Cadet is awarded the medallion and check at the Annual Youth Awards Luncheon during the FLSSAR Annual Meeting.

NSSAR - The Outstanding Cadet in the Nation will receive a gold star for the medal ribbon drape, a gold frame for the SAR ribbon bar, and a gold presentation medallion on a neck ribbon. The National Society will provide a cash award of one thousand dollars ($1,000) and up to one thousand dollars in travel expense funds.
Cadet Sergeant Major John Doe of Ft. Myers recently received a Sons of the American Revolution JROTC medal from Frederick D. Learned of the Caloosa Chapter at the annual Ft. Myers High School Awards Banquet. Cadet Doe, a 11th grade student, was selected for his high degree of merit with respect to leadership qualities, military bearing and general excellence. The Chapter's annual big event was the ROTC awards ceremony. Once again, Compatriot Guy Walton spearheaded this tremendous task.

The medal is struck on a circular planchet and on the obverse is depicted a Minuteman holding a rifle, with a plow and the Liberty Bell in the background, and is inscribed with the letters, "ROTC." The reverse is inscribed "Awarded for Leadership, Soldierly Bearing and Excellence and is suspended from a ribbon of the SAR colors. A certificate accompanied the presentation.

The purpose of the JROTC program is to develop informed and responsible citizens, strengthen character, promote an understanding of the basic elements and requirements for national security, help form self discipline, develop respect for an understanding of the need for constituted authority in a democracy and to develop an interest in the military services as a possible career.

The Caloosa of Ft. Myers, Florida holds their meetings the second Wednesday of each month from October through May. The meetings are held on the first floor of MyerLee Manor. MyerLee Manor is located at corner of Winkler Avenue and Brandywine Circle, between Cypress Lake Drive and Gladiolas Road.

9.1 Speaker's Program

2005-2006 SPEAKER REQUEST

We intend to actively let our fellow Floridians know about the Sons of the American Revolution. The Florida Society intends to do this with a state wide Speakers Program. This can only work with your assistance. We need your help to identify the organizations in your community where a speaker from the FLSSAR would be most effective.

We ask you to identify at least 7 organizations such as genealogical or historical societies, Rotary, Kiwanis, or other community service groups that utilize speakers, and where a talk about the SAR would fall on receptive ears.

Once you complete the following information and return it, we will send a letter to the group to advise of the availability of a speaker. We will ask that these groups contact us, and we will arrange for a speaker. Help us help you to increase the awareness of the Sons of the American Revolution in your hometown.

The ________________ chapter recommends that the FLSSAR contact:

9.2 FLSSAR Exemplary Service Award

The FLSSAR Exemplary Service Award is a special certificate presented by the Florida Society to members and/or non-members for exemplary and meritorious service to the FLSSAR. It can be awarded and presented more than once to a recipient and can be presented posthumously.

Its issuance should be discussed and consensus reached by the Board of Managers before the presentation. In special circumstances, it can be presented without the advance approval of the BOM.

The template used for the certificate allows for the documentation of the specific service rendered by the recipient. It is generated using Microsoft’s Publisher software by using the blank certificate available through National Merchandising. The certificate will contain a watermark of the American Flag or other appropriate SAR/FLSSAR symbols in the background. Refer to Chapter 3 Section 9.2 for a sample certificate.

Exemplary Service Award Certificates may be obtained by contacting the FLSSAR Procedures Manual project coordinator and then submitting the blank certificates procured from National Merchandising.

9.3 US Flag Certificate Award

This is a nationally sponsored program which involves the chapter presenting specially designed US Flag Certificates to business and/or residents for flying the Stars and Stripes in the correct manner.

The protocol for the proper manner to display the US Flag may be found in your chapter’s copy of the FLSSAR Procedures Manual in Chapter 3 Section 1.0. In addition to Chapter 3 Section 1.0, the general guidelines are 1) the US Flag should not be used as a form of advertisement, as is the case with several auto dealerships, 2) the flag should always be in good condition, not faded or torn, 3) the flag, if flown at night, should have a light directed at it during night time hours, and 4) the flag should not be flown subservient (lower in elevation) to other flags. These are rather simple guidelines to consider when looking for candidates.

These certificates may be presented during chapter meetings or other special events and is a great way to obtain publicity for both your chapter and the Florida Society. A sample certificate may be found in Chapter 3 Section 9.6L. The flags on the actual certificate are in RED. Blank certificates may be obtained by contacting the NSSAR Merchandise Department.

9.4 Committee Service Award

The Committee Service Award (CSA) is a special recognition awarded to those members that make a commitment to proactive service to the committees on which they are assigned. A commitment that allows the committees to achieve their operational objectives. These members accept their assignments as challenges and are responsible for the success of their respective committees through their individual contributions and service.

The template used for the certificate allows for the engrossing of the committee name. It is generated using Microsoft’s Publisher software by using the blank certificate available through National Merchandising. The certificate will contain a watermark of the Betsy Ross Flag in the background. Refer to Chapter 3 Section 9.4 for a sample certificate.
President Tetrick introduced Office Roger Picard, a twenty-two year veteran firefighter and his dog Jessie.

Currently Officer Picard is engaged in teaching fire safety to both children and adults. Jessie is trained as an Urban Search and Rescue dog, meaning she is trained to find buried survivors. Both spent about two weeks working at the site of the World Trade center collapse arriving six days after the attack.

Officer Picard recalled for the members his involvement in the rescue operation. He showed many pictures and detailed the extent of the effort required to secure the area and search the tower remains as well as the surrounding area. Unfortunately, no survivors were found after the third day of the disaster, but they did not give up hope throughout the deployment.

The medal is struck on a circular planchet and the obverse depicts a fireman’s badge with a flame in the center. Across the top of the outer circumstance are the words "Sons of the American Revolution" and across the bottom are the words "Fire Safety Commendation." The medal is suspended by a red ribbon drape. A certificate and citation accompanied the presentation.

The purpose of the presentation is to recognize a variety of fire safety and service professionals who have evolved into a highly technical and skilled profession with constant study, development and involving a number of dedicated citizens with a single goal-protect human life and property by preventing injuries or casualties due to fire and chemicals.

9.8 DAR Sponsorship Award

Our National Society has a procedure to encourage DAR members to refer, recruit, or significantly assist applicants to membership in SAR. Essentially, at our Annual National Congress $500.00 is presented to the SAR State Society which has recorded the most referrals of new members to SAR by members of DAR. This amount is then presented to the DAR State Society.

We solicit the assistance of DAR in obtaining new members. When a DAR member has referred, recruited, or assisted significantly in obtaining lineage documentation or in the preparation of an application, the form below is submitted with the application.

This is a great opportunity for FLSSAR to obtain National recognition and to enhance our recruiting program.

13.3 Veteran Committee Chairman's Guidelines

The following pages are sample worksheets to use to tabulate the score for the USS Stark Award. The form VA-2 is to be made available to members at each monthly meeting. The Veterans Committee Chairman is to remind the chapter that they are to be filled out and given to him before leaving the meeting. The chairman is to remind members of the ease to accumulate points by visiting veterans that are sick at hospitals and at home. If a member visits another member who is a Veteran, then that visit would count. It should also be noted that if a member has helped a veteran in a way that is not listed on this form, then they are to list it on the back. The Chairman is to contact the State Veterans Committee Chairman for guidance on how to count it. If few members turn these in then it should be done on a Bimonthly or Quarterly bases. At the start of the year the chairman should spend a little time going over form VA-3b & VA-3c with the members and point out how easy it is for just one person to earn 2,285 points alone. Form VA-3b shows what monthly statistics would look like for ONE individual. Form VA-3c is the Instructions that show a breakdown of how the totals for each category are figured. This would be a good time to distribute a copy of forms VA-3b, VA-3c, and the BLANK form VA-3a to help them keep track of what counts toward points and how to total the points.

As Veterans Committee Chairman, you are to use form VA4 to keep a running monthly total of all your points. If you have any questions, you are to contact the State Chairman for help. You are encouraged to report your totals to the State Chairman by October 15, in order to verify completion of the forms, and must submit your chapter finals by January 15th. It is very important that you get your "Semiannual", October report and Annual report in on time or early if possible. These are used to create reports for both the FLSSAR Annual Reports as well as the report to National Congress for the Awarding of the USS Stark Memorial Award.

The Military Badge of Merit

Does this look familiar? General George Washington, “ever desirous to cherish a virtuous ambition in his soldiers,” established the Badge of Military Merit on August 7, 1782. He directed that it be “the figure of a heart in purple cloth, or silk, edged with narrow lace or binding.” Although Washington intended this forerunner of today’s Purple Heart to be bestowed “whenever any singular meritorious action is performed,” only three soldiers of the American Revolution were awarded this badge.

Sergeant Elijah Churchill, 2nd Regiment, Light Dragoons, was awarded the badge for his part in two successful raids behind British lines. In November 1780, leading only 16 men, he was able to capture and destroy the heavily manned British fortifications at Corum, New York. Not only did they burn 300 tons of hay, but they also burned a British supply schooner and captured 50 prisoners. In accomplishing this, only one of his men was wounded. The second raid was on Ft Slongo in October 1781. Churchill’s unit, without the loss of a single man, captured and destroyed the fort in less than 24 hours.

The badge was awarded to Sergeant William Brown, 5th Connecticut Regiment, for leading an advance party who, using only bayonets, penetrated the British fortifications at Yorktown, Virginia on October 14, 1781. Although challenged by enemy gunfire and grenades, Brown’s party drove the British from their position in only 125 minutes.

The third and last badge was given to Sergeant Daniel Bissell, 2nd Connecticut Regiment, for masquerading as a British soldier from August 1781 to September 1782. The information he gathered helped prepare for the American-French attack on the city of New York.

With the American Revolution over and the army disbanded, the Badge of Military Merit seemingly passed into history until February 22, 1932, the 200th anniversary of Washington’s birth. On that date General Douglas MacArthur, then War Department Chief of Staff, announced the restoration of the Purple Heart for use by the U.S. Army. Elizabeth Will of the Office of the Quartermaster General is credited with the 1932 design. The modern medal is reminiscent of Washington’s Badge of Merit with its heart shape, however, it now contains a likeness of Washington and his family coat of arms.

Over the years, Presidents Franklin Roosevelt, Harry Truman and John Kennedy established uniform standards and extended eligibility for the award. Today, the medal can only be given to military or civilian nationals, serving with one of the U.S. Armed Forces since April 5, 1917, that have been wounded or killed under a specific set of circumstances. Although the criteria for the award is very different than that set by General Washington, it still honors those who have demonstrated “unusual gallantry” and “extraordinary fidelity.

Recipients of the Purple Heart today receive a certificate that reads:

Appendix E: Declaration of Independence, Signers Brochure

Signers of the Declaration of Independence

Mrs. Dorothy Walton was the wife of George Walton who was a signer of the Declaration of Independence.

George Walton was born in Virginia. He was an orphan and became a carpenter’s apprentice. He worked out his apprenticeship, moved to Georgia and studied law. He was a Savannah lawyer and a member of the Liberty Boys. He signed the Declaration of Independence when he was 27 years old and died at age 55. Walton was the most active after the Revolution. He was wounded in the leg and captured at the first Battle of Savannah. He was twice Governor; twice Senator; six times Congressmen; first Chief Justice of the Court during the Confederacy; was Superior Court Judge of Middle Circuit for six terms. He was a signer of the Articles of Confederation and helped draft them. He died in 1804, at the age of 55 and is buried beside Lyman Hall in Augusta, Georgia.

Mrs. Dorothy Walton, wife of George Walton Dorothy Camber Walton's life contained a cast of real-life characters who helped form the United States. She was introduced to them through her husband, George Walton, a signer of the Declaration of Independence.

George Walton was a politician who was once charged with writing the preamble and constitution for the new state of Georgia, according to "The Walton House," by Leora M. Sutton. His friends and acquaintances included John Adams, Patrick Henry and Thomas Jefferson.

George Walton and Dorothy Camber were courting during this time, according to Sutton's book.

"When George Walton returned from the historic signing, he quietly slipped a small package from his pocket and could hardly wait to pay his respects to the widow, Mrs. Thomas Camber and see her daughters. (George's favorite daughter was the eldest daughter, Dorothy.)

"Dorothy could not hide her joy at being loved by a very popular, promising young lawyer and congressman."

Not long after their marriage, the Waltons became prisoners during the Revolutionary War at Sunbury, 40 miles south of Savannah, Ga. George Walton used his connections to have his wife and their slaves sent to sea, arriving at the port of Charles Town. Their ship was captured by a British frigate and sent instead to the West Indies. Dorothy Walton was exchanged for two British colonels and sent back to join her family, according to "The Walton House." Her husband, the book says, was exchanged for a British general.

"While Dorothy was on the Island of St. Eustatia, she was repeatedly taunted with offers to return to England, the land of her loyal British father, but she she showed her remarkable firmness in her decision to remain by the side of her rebel husband."

After the war, the couple lived in Savannah, Ga., until her husband's death in 1804. She then moved to Pensacola with her son and his family. She died Sept. 12, 1832 in Pensacola where she is buried in St. Michael's Cemetery.

The Declaration of Independence

Independence Day celebrates the birthday of the United States of America, founded July 4th, 1776, with the signing of the Declaration of Independence. This year, America is celebrating its 225th birthday.

Have you ever wondered what happened to the 56 men who signed the Declaration of Independence?

Five signers were captured by the British as traitors and tortured before they died.
Twelve had their homes ransacked and burned.
Two lost their sons serving in the Revolutionary Army. Another two had sons captured.
Nine of the 56 fought and died from wounds or hardships of the Revolutionary War.
They signed and pledged their lives, their fortunes and their sacred honor. What kind of men were they?
Twenty-four were lawyers and jurists. Eleven were merchants. Nine were farmers and large plantation owners; men of means and well educated. But they signed the Declaration of Independence knowing full well that the penalty would be death if they were captured.
Carter Braxton of Virginia, a wealthy planter and trader, saw his ships swept from the seas by the British Navy. He sold his home and properties to pay his debts and died in rags.
Thomas McKean was so hounded by the British that he was forced to move his family almost constantly. He served in the Congress without pay, and his family was kept in hiding. His possessions were taken from him, and poverty was his reward.
Vandals or soldiers looted the properties of Dillery, Hall, Clymer, Walton, Gwinnett, Heyward, Rutledge, and Middleton. At the battle of Yorktown, Thomas Nelson, Jr., noted that the British General Cornwallis had taken over the Nelson home for his headquarters. He quietly urged General George Washington to open fire. The home was destroyed, and Nelson died bankrupt.
Francis Lewis had his home and properties destroyed. The enemy jailed his wife, and she died within a few months.

John Hart was driven from his wife’s bedside as she was dying. Their 13 children fled for their lives. His fields and his gristmill were laid to waste. For more than a year he lived in forests and caves, returning home to find his wife dead and children vanished. A few weeks later he died from exhaustion and a broken heart.

Norris and Livingston suffered similar fates.

Such were the stories and sacrifices of the American Revolution. These were not wild eyed, rabble-rousing ruffians. They were soft-spoken men of means and education. They had security, but they valued liberty more. Standing tall, straight, and unwavering, they pledged “For the support of this declaration, with firm reliance on the protection of the divine providence, we mutually pledge to each other, our lives, our fortunes, and our sacred honor” This is the final paragraph of the Declaration of Independence.

They gave us a free and Independent America. Some of us take these liberties for granted.....we shouldn’t. So, take a couple of minutes while enjoying your 4th of July holiday and silently thank these patriots. It’s not much to ask for the price they paid.

BRONZE GOOD CITIZENSHIP MEDAL

Awarded to

Dr. Al Wehlburg

At the Chapter’s December 21st meeting, the SAR’s Bronze Good Citizenship Medal was presented to Dr. Al Wehlburg, a University of Florida professor of theater and dance, for his sacrifices during World War II and his outstanding presentation on the subject to the FLSSAR Board of Management meeting hosted by the Gainesville Chapter in January of last year.

As those who attended the BOM know, Dr. Wehlburg was just a lad in the Dutch East Indies when war broke out in December 1941. He and his family were captured by the Japanese and held in a prison camp throughout virtually all of the war, being released in early 1945 as that area of the Southwest Pacific was taken by the allies.

His presentation at the January BOM was especially well received by all of the compatriots and guests present, and there was a unanimous clamor that Dr. Wehlburg receive special recognition from the Sons of the American Revolution for his youthful patriotism and courage – this, then, was that long overdue recognition!

Thank you [names] I had the privilege to work and make this special occasion possible with these folks. And on behalf of the Jacksonville Chapter Sons of the American Revolution I would like to take this opportunity to thank [names] for making this Liberty Tree Ceremony possible. I would also like to recognize [names], thank you for taking the time to participate in this ceremony.

Next I would like to introduce the men in revolutionary war uniforms all are members on the Jacksonville Chapter SAR. [names].

Now allow me tell you a little bit about the Sons of the American Revolution. We are a national patriotic organization whose members are descendants of those patriots who fought for our country’s freedom and independence during the revolutionary war. Our chapter is very active in youth activities. Each year, throughout the high schools in the Jacksonville area our chapter sponsors Essay, Oration, and Eagle Scout Scholarship contest. We also award SAR Bronze Medals to one outstanding cadet at each of the 21 high schools in the Jacksonville area that offer ROTC programs. We also each year award the SAR Silver ROTC medal to one outstanding cadet at Jacksonville University.

Several years ago, the Sons of the American Revolution embarked on a program of planting liberty trees on public and private properties in all of our fifty states to pay tribute to our patriot ancestors. Today our Chapter is honored and privileged to plant this Liberty Tree on the beautiful grounds of [location]. A special thank you is extended to [names], for the kind generosity in upgrading the Andrew Jackson Southern Magnolia tree that we are dedicating today.

You may ask - what is a liberty tree. During the Revolutionary War there were designated trees in each of the colonies where the Sons of Liberty would meet, in secret, to discuss the war and their next strategy in the fight for independence. It didn’t take the British long to discover why the Sons of Liberty were meeting under these trees. The first Liberty Tree was an elm tree in Colonial Boston and the British cut it down in 1775.

The tree that the [location] chose is this beautiful magnolia tree (point to direction of tree), which is an Andrew Jackson Southern Magnolia seedling from the Magnolia tree that President Andrew Jackson planted on the White House grounds in 1827 in memory of his beloved wife, Rachel. They had felt that their lives were complete when he was elected President in 1827, but shortly before he was sworn in Rachel died of a heart attach. He decided at that time to plant a lovely Magnolia tree on the White House lawn in her memory. Little did he know that he was starting a tradition that still endures today.

If you have a twenty-dollar bill in your pocket, pull it and look at the engraving of the White House on the back. To one side is the magnolia tree President Jackson planted. And, today that tree is still alive and thriving on the White House grounds. So we can expect this Magnolia tree to also have a long life on the grounds of [location].

Now at this time [names] will unveil the bronze plaque. [names] will be assisting [names] in removing the veil from the plaque. [names], I would like to present you with this certificate that commemorates this Liberty Tree Ceremony.

Thank each of you for coming to our Liberty Tree Ceremony and when you visit the [location] in the future, you are invited to stop by this liberty tree, admire its beauty and remember the great legacy that our forefathers have given us.
