

Central Florida Chapter can now identify with an exact date for the Chartering of the Chapter

The “Charter” of the Central Florida Chapter of the Sons of the American Revolution had been lost for many years and replacement was not available through either the FLSSAR or NSSAR until recently. After strenuous research by the Chapter and with the assistance of the Librarian at the NSSAR Offices in Louisville, KY it was determined that the Chapter was officially Chartered on May 5, 1961 as noted in the above Charter Certification. It will now proudly hang in the Mayflower Retirement Center of Winter Park where the Chapter holds its regularly scheduled meeting and special activities.
