

Southeast Region "Bring Your Child To Work Day"  
And The "Naturalization Oath Ceremony"

SAR Compatriot Norman Myers was invited to participate in the Southeast Region of the U. S. Citizenship and Immigration Services. Following the Presentation of Candidates and after they had repeated their Oath of Allegiance several of the following photographs will reflect that Compatriot Myers and the attending children led the audience in repeating the Pledge of Allegiance to the Flag of the United States. Numerous of the staff members of the USCIS SERO were in attendance at this very special event. Following the official ceremony, the new citizens and guests wanted their picture taken with Norm and the participating ROTC Cadets from Jones High School. It just so happened that the Cadet Leader of the ROTC was the 2010 Jones High School Cadet who received the Central Florida Chapter's Outstanding Cadet Medal. This group of ROTC Cadets posted the colors for this special function. The other neat relationship to the CFCSAR was that Compatriot Thomas McElroy's daughter Terry Tierney was responsible for our Chapter being represented at this Ceremony. She offered her thanks for the Chapter's Color Guard's past performance and looks forward to the Chapter's Color Guard be in active service for their 2012 program.
