

# Public Service Awards

---

Each year the Central Florida Chapter, Sons of the American Revolution selects outstanding individuals in the fields of **Law Enforcement** and **Fire Rescue** to receive either the **Fire Rescue Commendation** or the **Law Enforcement Commendation Medal** in recognition of their exceptional performance service of distinction and devotion in their respective field. The **Third Medal** that can be awarded in either of the above fields is the **SAR Medal for Heroism**. The Central Florida Chapter SAR, during 2012 and 2013, extended invitations to nineteen Fire Rescue and twenty-one Law Enforcement Departments to nominate individuals from their respective departments to receive a medal from the above designated categories. The SAR Chapter selection committee, after several reviews of the nominations, identified individuals who would be honored for their outstanding service to the residents of Central Florida.
