The Pledge of Allegiance

I pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one nation under God, indivisible with liberty and justice for all.

The Pledge to the SAR

We, descendants of the heroes of the American Revolution, who by their sacrifices, established the United State of America, reaffirm our faith in the principles of liberty and our constitutional republic, and solemnly pledge ourselves to defend them against every foe.

The American Creed

I believe in the United States of America, as a government of the people, by the people, for the people, whose just powers are derived from the consent of the governed; a democracy in a republic, a sovereign nation of many sovereign states; a perfect union, one and inseparable; established on those principles of freedom, equality, justice, and humanity for which American patriots sacrificed their lives and fortunes. I therefore believe it is my duty to my country to love it, to support its constitution, to obey its laws, to respect its flag, and to defend it against all enemies.

Recessional

Until we meet again, let us remember our obligations to our forefathers who gave us our Constitution, the Bill of Rights, an independent Supreme Court, and a nation of free men.

The last quarter has been interesting to say the least. with two short stays in the hospital and the traveling and visiting Chapters, the time has certainly been moving by quickly. My first activity occurred on the 11th of December when I attended a Joint meeting of both the DAR Palm beach Chapter and the Palm beach Chapter, SAR. The event was very well attended, and was held at the beautiful ocean side Balm Beach Club, Palm Beach, FL. On December 18th I visited the monthly meeting and installation banquet at the Country Club in Tamarac, FL. After an interesting speech by a daughter of one of the members about the barefoot mailman I installed the new officers for 2011-2012. The Young lady had completed considerable research, and in her presentation used several visual effects to emphasize her very interesting talk.

On January 14 2011 I attended the monthly meeting of the Lakeland Chapter, Lakeland, FL. I was the guest speaker where I discussed the lack of colonial history being taught in the schools today and the state of history education in our Schools. On the 19-20th of January I was the guest of, and attended a joint Jacksonville SAR/DAR event at the San Jose Country Club. In attendance was President General David Simpson, NSSAR, and his lady, President General Merry Ann Thompson Wright, NSDAR and her husband Larry Wright who was inducted by the PG NSSAR as a new member into the Jacksonville Chapter SAR and many other National and State officers of both organizations. It was a wonderful occasion and was enjoyed by all who attended.

Senior Vice President

Chairman: David Ramseur ramseur@surfbest.net

On 14 Jan 2011, I reported at the South Atlantic District meeting held in Gaffney, SC on events that the FLSSAR have been participating in since Oct 2010. The Florida chapters have been very busy in Veteran Day activities from parades to hosting events at Veterans retirement facilities. On 15 Jan 2011, I participated in the color guard and wreath laying in the 230th Anniversary of the Patriot Victory at the Battle of Cowpens. I have also been active in Jacksonville Chapter Board planning board sessions and attending meetings for the past year. For our January Jacksonville chapter meeting our guest speaker will be the American Legion Past Commander Clarence Hill CAPT (ret.) along with NSSAR President General David Sympson and NSDAR President General Merry Ann Wright - we are expecting a large turnout for this event. Finally, I am happy to hear that more chapters are participating in color guard activities with compatriots in colonial uniforms that help to get the word out about our organization.

- Application does not contain acceptable proof documents of Rev War service.
- Generational links for generations one or more generations not properly documented.
- Rev War service not adequately proven due to more than one resident of same name living in the same location at time of Rev War.

Recommended Application Submission Improvement Areas:

- Ensure ALL applicable information contained on all submitted proof documents is recorded in the applicable sections of the application.
- Ensure all known spouse information is included when known for each generation even when the spouse is not in direct lineal descent. This will prevent applications from being pended when two persons of the same name are living in a given area and this information would assist in identification of the correct person used on the application.
- Ensure all required signatures and dates are present as required for type of applications being submitted.
- Enclose 2 application copies on SAR watermarked archive paper and 1 application on plain paper for all applications submitted.
- Only one set of proof documents are required to be submitted with each application. This also applies when submitting more than one application under the family plan criteria. One set of proofs only for the common documents used by all the applications in the group.
- Use a red pencil to underline applicable data on all proof documents and **DO NOT USE** any type of highlighter.
- Copy of entire legible original census page must be submitted when using a census as a proof document. Ancestry.com census transcription pages cannot be used in lieu of the original census page, but may be used in addition to the original page.
- Recommend using paper clips instead of staples.
- Never use nick names on an application unless there is a required proof document has been submitted that validates the nickname.
- Any name, date or location used in the application generation requires a document to prove that information. Do not enter names, dates or locations in this section a proof document has been provided that exactly matches that information.

Notes of Interest:

- As reflected by the above applications stats the NSSAR application process has slowed down to a snail's pace. I have been informed by the GG that he is pushing to add at least one more permanent NSSAR Staff Genealogist to help fix the backlog. It is quite evident that additional resources are needed in all areas of NSSAR application processing as well as process improvements, especially in the area of digitalization of application data.
- The new "Fast Track" application process still does not appear to be implemented or functioning as designed yet at NSSAR. More than 50 applications have been submitted since mid OCT 2010 and to date none have been reviewed as per the current NSSAR application status report.
- NSSAR has also revised the application transmittal form format and is available for download at <http://www.sar.org/sites/default/files/docs/nssar-forms/Form-0921-2009-11-19.pdf> Designated "Fast Track" transmittal forms must be submitted printed on "green" paper and marked at the top of the form as "Fast Track." All other forms will be printed on "white" paper.
- You must now create a user account for access to the NSSAR Application Status Report and is highly recommended all chapter registrars apply for a user account so they will be able to monitor chapter applications. NSSAR Pended Application Status Report still available without NSSAR login and is normally updated on a monthly basis and available for viewing/download at <http://www.sar.org/hq/application/PendingApps.pdf> .
- Current FLSSAR & NSSAR Dues & Application Fees can be found at <http://www.flssar.org/Docs/FeesDues.pdf> all chapter registrars should download and/or print this document for to ensure correct fees and dues are submitted with applications.

January 22, 2011

All is not well.

From speaking with Ray Lantz, State Registrar, the average approval time for Florida applications from receipt to registration is 161 calendar days (5 months). The average approval time for Florida supplemental applications from receipt to registration is 214 calendar days (7 months.).

For comparison, prior to October 2008, SAR was routinely approving new member applications in 2 months and supplemental applications in 3 months. The DAR is currently approving new member applications in 7 weeks.

To make matters worse, the recent relocation of the SAR staff genealogists to the new Main Street location is not helping with the current backlog of applications. This is illustrated by the points raised in a recent e-mail from an SAR staff genealogist writing to a compatriot concerned over the long timeframe to get applications approved. The staff genealogist states:

- (1) Genealogical review work was interrupted for 2 weeks preparing for the move;
- (2) There was no phone service at the new location for 9 weeks after the move;
- (3) There was no e-mail service at the new location for 6 weeks after the move;
- (4) There is still no access to the genealogical database at the new location, so the staff has to go to the old location to access the database and enter genealogical data on a staggered basis, since only certain computers allow access to the needed information.

I was astonished after I read about all the needless and unnecessary challenges being faced by the genealogical staff at HQ. As an example, my corporate office was recently relocated and we had working phones and e-mail within 24 hours, because our move was properly thought out and planned well before it occurred. What is the old military adage, "Proper Planning Prevents Poor Performance"?

One of the side effects of this moving fiasco is that it took a month or more for a number of the applications that I discussed above to be registered by the Assistant Registrar at HQ so that new members would be issued a national number and receive their welcome postcard as new members of the SAR. I am told that one of the SAR staff genealogists was found to be holding approved applications and not forwarding them to the Assistant Registrar, so that he could enter information into the genealogical database that is only accessible at the old location.

I truly hope that all of these issues are swiftly resolved before the backlog of applications becomes worse than it already is. SAR HQ can and must do better.

Nominating

Chairman: Steve Williams swilliams16@cfl.rr.com

The Nomination Committee has spent a lot of effort in filling the spots on the officer slate for the election at this coming Annual Meeting. There are at this writing a couple of issues and an open position, Recording Secretary, that will hopefully be resolved and reported on as an addendum report by one of the committee members - I will be absent. Ponce again, the Florida Society has been well served by the selected team members for tackling this difficult task – especially this year. President Gerry Meeks can be commended on his astute choices which were a boon to me. Thank you, sir.

Bernardo de Galvez Camp #13 - Naples Chapter

Sadly our organizing Camp Commander Compatriot Paul Franklin Young passed away December 22, 2010. Paul as Chapter President 2003-2004 pushed hard to get members (myself included) into uniform so we could have the number required to become a Camp.

Paul's idea to name the camp made sense as Galvez was the Governor of Florida under Spanish rule aided greatly in defeating the British in Pensacola and Mobile as well as up the Mississippi from New Orleans.

Paul also got our Chapter to 'Adopt-a-Precinct' to man for elections thereby earning money for the Chapter's youth program and to offer to pay half of the uniform expense. This enabled and helped members to get into uniform. Paul was only 64 when colon cancer got the best of him. We in Naples will miss him greatly.

The Color Guard continues to open all chapter meetings and serve at the BOM this quarter.

In October the Vietnam Veterans of St Lucie County held an evening Memorial service to honor and not to forget POW/MIA veterans of the Vietnam war. Compatriots Massey, Pattisen and Wise attended.

On Veterans Day November 11, Compatriots Massey and Wise joined the Veterans day color guard at the Port St Lucie Veterans Day memorial service in Port St. Lucie. On that same day Compatriot Riediger joined the Halpatokee FSDAR Chapter at the Martin County Veterans Council Veterans Day parade in Stuart and honored the memory of recently deceased members of the St Lucie River Chapter. After the parade Compatriot Riediger visited the Veterans section of Fernhill Memorial Gardens and replaced missing and damaged flags. In December Compatriot Ray R. Boyce died of an earlier auto accident. The Color Guard had planned to present him a War Service medal with Purple Heart on Veterans Day for his service in WW II, but he was unable to attend. This medal will be awarded to his family at a later date.

On Pearl Harbor Day Dec. 7th, Compatriots' Massey and Wise attended a short service at the same time of day as the time of day of the beginning of the Japanese attack on Pearl Harbor. Flowers were tossed in the River with a prayer to honor the over 3,000 casualties of the attack

C.A.R. and SAR Junior Members Aide (ad-hoc)

Chairman: Lindsey C. Brock, III

thebrocks@bellsouth.net

The purpose of this committee is to develop a better relationship between the SAR, its Junior Members and the C.A.R. It also provides SAR members an opportunity to promote the many youth programs that SAR offers. Every FLSSAR Chapter should encourage its **Junior Members** and local **C.A.R. Society** to actively participate in our BOM and especially our Annual meetings.

At our upcoming 2011 National Congress in Winston-Salem, NC on July 7-10 our plans are to use Aides/Pages just as we did last year's National Congress in Cleveland, OH. Therefore, our RVPs should insure that the FLSSAR Chapters and C.A.R. Societies in their respective regions be made aware of this opportunity. Connor Brock a Junior Member of FLSSAR and a member of the Princess Malee Society of Jacksonville, FL participated in our November 2010 BOM meeting by announcing the winning numbers of our Opportunity Baskets which are provided by our chapters at all BOM and Annual meetings.

DAR Liaison

Chairman: Steve Williams

swilliams16@cfl.rr.com

Due to unplanned medical issues (aren't they all), I will not be able to enjoy once again the opportunity to show off the SAR, their mission/goals and programs to all the lovely DAR ladies at their Spring/Annual meeting this March at the Orlando Marriott Hotel – Lindsey has the date. However, I believe that we'll be more than well-represented by Randy Moody, Lindsey Brock, and George Lockhart at the table. Please DON'T use them as a reason not to stop by and chat. You can use your experiences in the SAR to chat with the DAR ladies visiting our table to show them the benefits of getting their husbands, sons, nephews, and brothers into the SAR. We have to get into the habit of reaching OUT, not waiting for them to come to us.

Ladies Auxiliary Liaison

Chairman: David Ramseur

ramseur@surfbest.net

The Ladies Auxiliary membership is composed of wives of SAR compatriots. Any lady may join who has a relationship with a Compatriot, such as aunt, sister, cousin, daughter and is interested in the events and work of the Ladies Auxiliary. Dues are \$5.00 and are renewable every year and is also part of the National Ladies Auxiliary organization.

The Auxiliary looks forward to being part of the SAR youth awards every year. A fun way the Ladies Auxiliary raise funds for these awards is by donating beautiful and bountiful gift baskets which are then auctioned off by drawing at the BOM Dinners and the proceeds then used to assist in the various endeavors of the Auxiliary. The Auxiliary also donate and assist in the mailing of various gift packages to overseas troops during the year as well as contributing to worthy causes and assisting various projects of SAR chapters.

The Auxiliary also participates and assists in the hospitality room by contributing delicious food and drinks for SAR compatriots during the BOM and annual meetings.

A member of the Ladies Auxiliary can also represent the Florida Ladies Auxiliary at Patriotic events held around the State as well as in other activities of SAR chapters in other states. Several ladies are active in support of SAR compatriot husbands by wearing colonial dress and in laying wreaths and attending commemorative ceremonies held by various SAR chapters.

Chairman: Ed Young

January 21, 2011

Planning for the 2011 Commemoration of the Battle of Pensacola is underway. The event is scheduled to be held at 9:00 A. M., on Saturday, May 7, 2011 at Fort George in downtown Pensacola. Negotiations with the Pensacola Historic Village have been discontinued due to a schedule conflict with their sponsoring organization, The University of West Florida. Therefore, a reenactment of the battle will not be presented this year. Accommodations will be arranged at the Days Inn Downtown, 710 North Palafox Street, Pensacola – 1 1/2 blocks from the fort. The Commemoration Ceremony at the fort will consist of Presentation of the Colors, guest speaker and wreath laying. The U. S. Navy plans to celebrate the 100th Anniversary of Naval Aviation during this same week which may require the adjustment of this plan.

Last Naval Battle

Chairman: Ben DuBose bdubosefl@gmail.com

Things are heating up as we near our event date of March 5th. We ran into a little snag with the Canaveral Port Authority concerning the cost of NEW permits, but with the input of the Committee members we were able to settle things for this year. We don't know for sure what the future holds, but we have already received an offer to move our monuments to a suitable location; if necessary.

An email went out in mid-December to dozens of interested parties confirming the date, time and location of this year's event. A rate of \$108 for a room with 2 queen beds and breakfast has been agreed to with County Inns & Suits. We are awaiting responses before setting up dinner plans. By January 20th 158 fliers were mailed out to the media, Color Guard units and interested parties, plus permits were filed with the Port Authority (inc. a basic \$50 fee).

As of this date we have commitments from over a dozen Color Guard units, not counting the SAR, DAR & CAR., and about a dozen groups would like to bring "greetings" It looks like we'll have a good turnout again this year - but we need the help of ALL the FLORIDA CHAPTERS to make this a real success. Please try to have your Chapter represented. Contact me at 321-952-2928 or bdubosefl@gmail.com.

Fliers are available at the back of the room.

Americanism Elementary Poster Contest (ad-hoc)

Chairman: David Ramseur ramseur@surfbest.net

The Americanism Elementary Poster Contest is a great new venue for stimulating interest in 4th & 5th grade students in public, private, homeschoolers and scout groups etc. highlighting in the importance of the American Revolution in the founding of our great nation. This year's topic is "The Battle of Cowpens". This Patriot Battle victory just celebrated it's 230th anniversary is somewhat accurate in the final scene shown in the movie "The Patriot" – actually in true life, Tarleton was able to escape being killed due to a broken Patriot saber. However, students and their parents and teachers can visualize and picture the gallant Patriot victory of this battle from this movie scene. Even though our contest officially ends April 1, 2011 please bring your winning chapter posters to our annual meeting in May of 2011 for the FLSSAR awards. Go to the SAR or FLSSAR websites for more information and please advise me of the number of chapter winner entries you will bring to our annual meeting in May.

Eagle Scout Scholarship Committee

Chairman: Charlie Day dmdaycday@aol.com

This is the time of year that the FLSSAR Eagle committee works to review/judge the Chapter winners entered on the State level. There were nine this year. One did not get turned in on time to be judged at the state level.

The ones in the top ranks were exceedingly close, some only separated by one point. I do not have the top three places named at this point but we will have them for the BOM on the 28th and 29th. State Committee member Doug North is stepping down from our committee after our judging is completed this month. He has been a conscientious member for eight years. We thank him for his work with the Eagle Committee, he will be missed.

Now to the end of the (spring) school year is a great time to approach your scouting contacts and get an Eagle to start working on his Scholarship application for 2011.

The development and use of the "Triplet Merit Badge" recognitions goes on. Phil Wright and helpers at Brevard Chapter have got their information and certificate templates ready to use and have made presentations at their local District scout meetings.

The January-February "Scouting Magazine" informs us that as 2010 was winding down, the donations for "The Summit Bechtel Family National Scout Reserve" project topped more than \$100 Million in less than one year. The Summit is located in the Glen Jean-Mount Hope area of West Virginia. The first Jamboree in West Virginia is scheduled to take place July 15-24, 2013.

Thanks to all the members of FLSSAR and FLSSAR Ladies' Auxiliary that help support our program.

ROTC

Chairman: Phil Tarpley mp18pht@verizon.net

I remind our RVP's to notify the Chapter Presidents in their region that JROTC Best of the Best (Outstanding Cadet) Scholarship applications should be in process or notify the Commanders to get started. The information and application can be downloaded from the FLSSAR web site by linking to Youth & JROTC Please use the JROTC FLSSAR link instead of NSSAR. Scroll down to JROTC and click on information & form. The winning chapter applications will need to be sent to me by March 29 please because of the need to have them judged and sent to NSSAR for judging. The information should be given to Instructors in order for them to have the full information & application form, etc.

Date January 22, 2011

CONGRATULATIONS !! WE HAVE AGAIN MADE OUR GOAL OF AT LEAST 16 CHAPTERS MAKING FLAG PRESENTATIONS DURING THE FISCAL YEAR 2010.

Since my last Committee Report of November 12, 2010, e-mails to another 140 (average) recipients at a time were sent out on 41 occasions over three months, resulting in a total of about **5740** e-mails through January 22, 2011, the date of this report. Adding these 5740 e-mails to my November, 12th Report of **15040** e-mails, when another 160 (average) recipients at a time were sent out on 57 occasions over about a 4 month period, results in a total of about **20780** e-mails.

Therefore, during the first nine months of the 2010-2011 program year which began on April 24, 2010, my report through the date of this report (almost nine months) revealed that **20780** e-mails were sent out on 98 occasions to 150 (average) recipients at a time. During last year's program year, 2009-2010 which began on 4/24/09 and ending on 5/7/10, e-mails totaled 17120.

Please, Committee Members, keep those PATRIOTIC e-mails coming to me.

Most important, our Committee Charter includes as one of its functions the administration of the Flag Program for the Florida Society. This includes competition for the NSSAR Rear Admiral William R. Furlong Award to the State Society with the best Flag Program. It awards and presents the NSSAR Flag Certificate to individuals and activities in the name of the FLSSAR, encourages FLSSAR chapters to participate in Flag Day, June 14, ceremonies, and promotes respect and honor to the Flag of the United States.

In order for our State Society to earn the Admiral Furlong Ribbon Award from the NSSAR Flag Committee, at least 50% of our chapters (16 chapters) must present at least one or more Flag Certificates during the calendar year. Since Robert Bogardus, the new Chairman of the NSSAR Flag Committee, has asked that all State Patriotic or Flag Committee Chairs forward their reports to him by February 1st, we respectfully ask all chapters to respond to us or your Regional VP whenever you make a presentation, but never after January 15, 2011. You have until the end of Fiscal Year to make presentations. The chapter needs only to report one flag certificate presentation a year & it need not advise the RVP about any additional presentations once it has done so.

Support the Troops (ad-hoc)
Chairman: Frank Hodalski fhodalski@msn.com

Thanks to all of you, our Christmas mailing of 54 boxes were sent to six Army and two Marine units. All were received in time for Christmas. This mailing was our biggest ever, and required two trips to the post office. Each box contained a Christmas message headed by a picture of the BOM smiling and waving (thanks Steve). As previously reported, we sent nearly a ton of needed supplies to our troops this year. Our thanks to the guys who have augmented our funds; to the Ladies for their continued support; to the C.A.R. Societies who provide us with goods; and to the individuals who donate to this cause. We will begin 2011 with our budget of \$1000, and a total of \$739.00 cash on hand. This will allow us to send at least 100 boxes at the current postal rate.

Here is an excerpt from a letter from one of our units. Sgt. Major Tim Johnson writes:

"We here in Eastern Ghazni are all very excited to be going home as the past 11 months have been difficult. Over this time we have served in Western Paktika Province for 7 months and currently in Eastern Ghazni Province. We have been through some tough times with loss of 3 Soldiers thus far, and scores more wounded. Thank you for all the packages you've sent over the last 5 months, and for continuing to remember and thinking about my Soldiers here in Afghanistan, especially during the holidays. Again, thanks Frank and Barbara for what you've done. God Bless You."

The video of one of our FOB units under rocket attack may be viewed by visiting ORGUN E on the internet and clicking on Videos for Orgun E and then on the video Rakatenagriff Orgun E. The video is less than three minutes, but graphically shows the encampment under attack, and gives a clear picture of just what life in an FOB is like.
